

ARTGATE COLLABORATION WITH NRW-FORUM DÜSSELDORF ON MAJOR ART EVENTS

Press release, 16th August 2016

We are pleased to announce our collaboration with NRW-Forum Düsseldorf (www.nrw-forum.de), international cultural centre for media arts, for innovative art events. Above and beyond our devotion to classical fine art consulting services, we realise tailor-made events for companies, institutions and private individuals, accompanying the museum's exhibition program.

During events, participants benefit from **profound art insights** in the context of the exhibitions, as we tastefully combine **personal interests, relevant artistic performances, accompanying music acts and fashion**. Our art events serve as an innovative bridge for bringing people, clients as well as employees, together in an extraordinary and future-oriented art context.

One example of our bookable event concepts – a PLAN B for an art event for the new world – is a **ZERO STAR-DINNER** at NRW-Forum in cooperation with the renowned conceptual artists from the **Atelier für Sonderaufgaben**. Following up to their international success with the "ZERO STAR-HOTEL" (as reported by CNN: <https://www.youtube.com/watch?v=R-191MLEiqk>), ARTGATE and the Swiss conceptual artists Frank and Patrik Riklin instruct selected guests to develop the décor of the dinner themselves in the cellar of the museum with the help of specially provided utilities. **A far cry from mediocre cuisine and indifferent atmosphere, ARTGATE presents a superior art happening during which VIP guests themselves become part of the "ZERO STAR-CONCEPT". FOR DIFFERENT THINKING AND EXCEPTIONAL ART EVENTS AS A LIVING MECHANISM.**
